AMERICAN ROCK SUNG IN CATALAN

New album “FINS MORIR” - March 2026

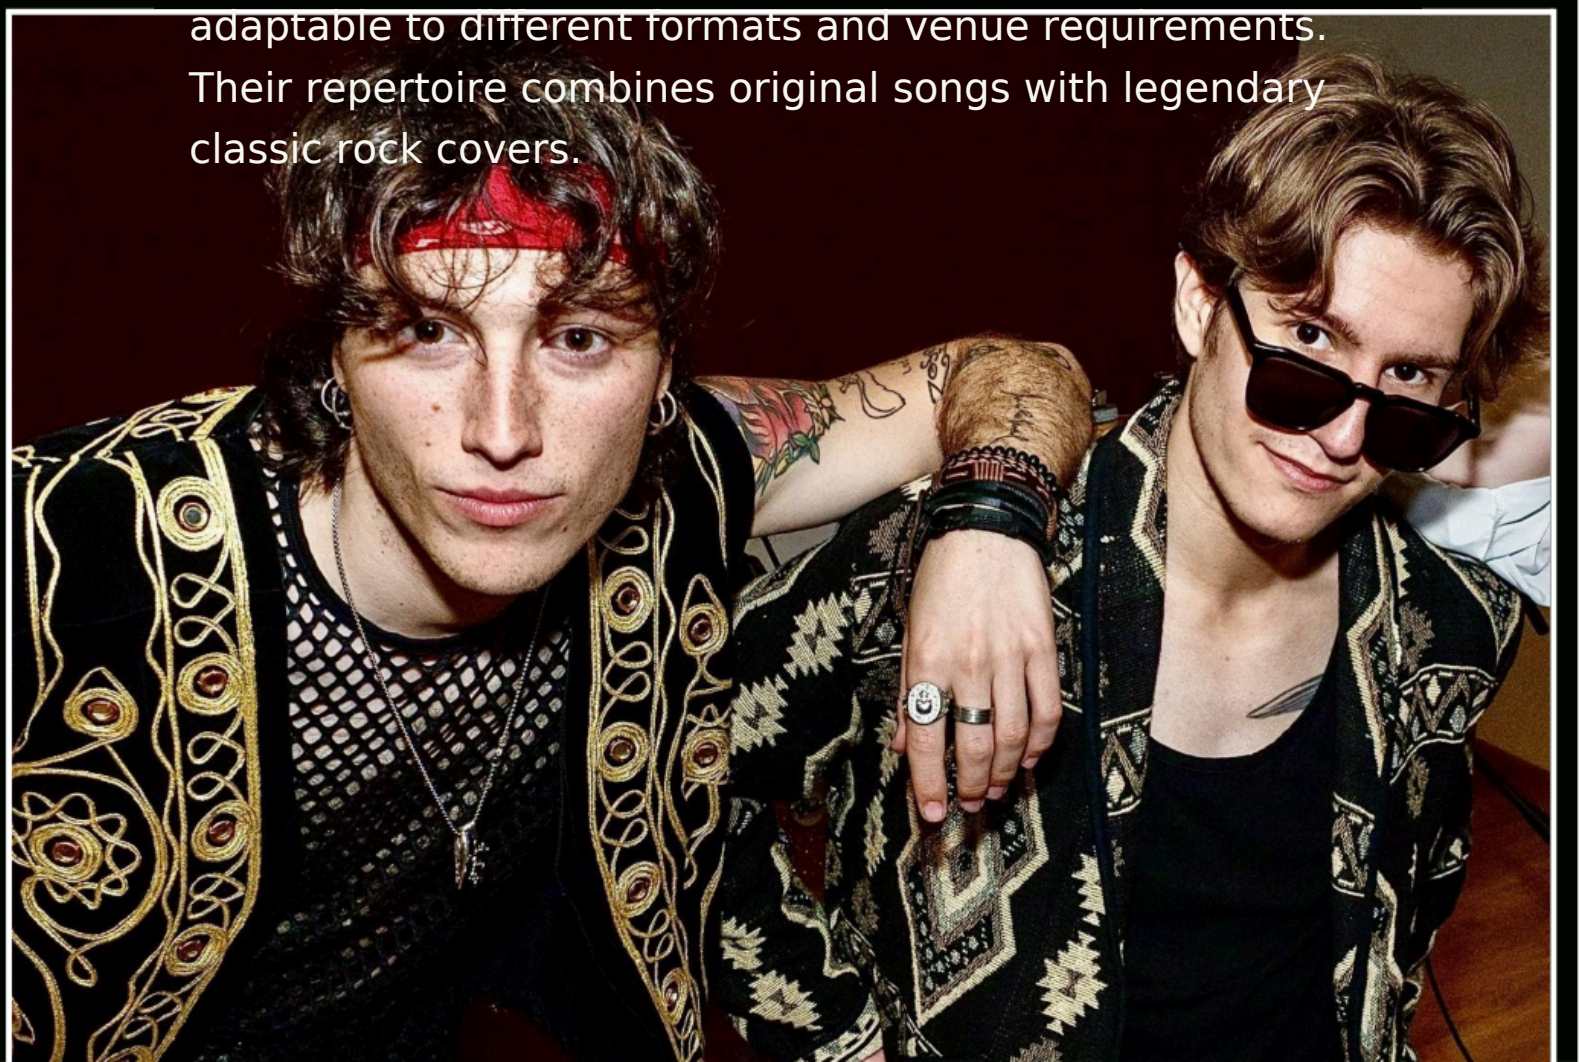

AUTHENTIC, YOUNG ROCK IN CATALAN

DIRTY SUNDAY

WHO ARE WE?

Dirty Sunday is a classic rock band based in Terrassa. The project grew out of the musical connection between Eloi Querol (vocals and songwriting) and Antonio Valero (guitar and songwriting), with a clear goal: bringing the energy of classic rock into Catalan. Influenced by 1970s and 1980s American rock, including Guns N’ Roses and Aerosmith, the band combines powerful guitars, memorable melodies and vocals with range and personality. On 20 March 2026 they released their debut LP, “Fins Morir”, on the Microscopi label. Live music is at the heart of Dirty Sunday’s project, with performances adaptable to different formats and venue requirements. Their repertoire combines original songs with legendary classic rock covers.
